■ Soil applied products ■ Foliar applied products

Apply YaraVita foliar products as needed based on Megalab leaf tissue analysis.

The information provided is accurate to the best of Yara's knowledge and belief. Any recommendations are meant as a guide and must be adapted to suit local conditions.

Megalab™

CHOOSING THE RIGHT PRODUCTS. In developing the correct program of products, soil and tissue analysis should always be used to help make decisions on product application. The MEGALAB™ program transforms nutrient analysis results into practical, cost effective recommendations.

The MEGALAB™ network provides customized interpretation and advice. MEGALAB.net is accessible over the internet 24 hours a day, 365 days a year providing the ultimate in customer service based analysis.
